Directions to 9001 Limehouse Lane

- DO NOT drive towards Oxmoor Shopping Center on Shelbyville Road. The farm is bisected by I-64 and we are on the opposite side of the freeway from the mall.
- From Louisville, take Taylorsville Road South, cross Breckinridge Lane, and go 1.2 miles to traffic light at Lowe Road.
- Immediately past the fire station, turn LEFT at Lowe Road and go .2 mile.
- Just after Des Pres Park, turn RIGHT on Regency Woods Way (look for Regency Woods subdivision sign). You are getting close.
- Take first LEFT, on Parkshire Lane.
- Take first RIGHT, on Limehouse Lane. Continue straight as subdivision ends and golf course begins.
- Continue straight all the way into Oxmoor Country Club entrance and follow the road skirting the club parking lot.
- Just opposite the tennis courts, you will see a sign for the farm next to a gravel road on your right. Take the gravel road. You are now driving parallel to I-64.
- Look for the greenhouse and barn with silo. Food Literacy Project staff and volunteers will help you find parking.
