- Adhere to the Food Literacy Project's Health and Safety Guidelines and Behavioral Standards.
- Maintain a strong work ethic throughout the entire 7 weeks.

Job Importance:

The mission of the Food Literacy Project is transforming youth and their communities through food, farming, and the land. We envision a just and sustainable food system in which people foster a deep understanding of what connects us to each other and the natural world. YCAP seeks to cultivate a new generation of leaders by engaging youth in growing, cooking and marketing fresh foods, exploring the food system and building food justice in their own community. Using food as a vehicle for personal growth and social change, we inspire young people to take an active role in their food system and create a healthier community.
