

Gather for the Garden

Join us on **February 20th at 5:30 p.m.** for the Food Literacy Project's third annual **Gather for the Garden** event at a new location — **TEN20 Brewery Butchertown!**

This is your chance to spend a fun evening with friends of the farm, enjoy delicious food and drinks, and celebrate all we accomplished together in 2024.

We'll share exciting plans for 2025 and offer an opportunity for guests to support the Food Literacy Project in our effort to raise \$75,000 at this year's Gather for the Garden event!
